Recommended for Confidential File for following reasons:

Recommended for confidential file because of the complaint of a Scout concerning improper advances by Mr. Stout on a camping weekend. A conference was held with Mr. Stout, a minister, and the Scout Executive. The minister and the Scout Executive were convinced that psychiatric help for Mr. Stout was needed and decided that in the meantime it would not be in the best interests of Scouting or local youth to allow Mr. Stout to be registered in Scouting in any capacity.

Re: James E. Stout

Dear Joe:

Thank you for your confidential record sheet dated May 27 concerning James E. Stout, currently registered as Institutional Representative of Troop 241 in Ypsilanti. We have placed this information in our files and have taken steps to have his name deleted from the Troop roster.

Although you have provided us with sufficient identification particulars, as you know, in cases of this nature it is most important that we have as much substantiating material as possible in our files in order to strengthen our position of refusing to accept any future application for registration which we might receive from this individual.

We would, therefore, very much appreciate your forwarding to us any supporting documents that may be available pertaining to this situation, such as a statement from the Scout involved who made the complaint; the boy's parents; or anybody else involved with this situation. Your help is much appreciated.

Sincerely,

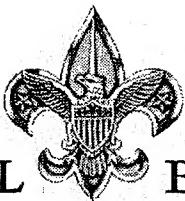

Howard Boyd, Director  
Registration and Fulfillment Service
